## Naming Opportunities and Donor Recognition Program

As part of Odyssey Charter School's Major Gifts Initiative, the Board of Directors is committed to recognizing *every* contributor of \$250 or more who helps to make the completion of the Barley Mill Plaza Campus a reality.

### Naming Opportunities: \$1,500 or more

Contributors who have committed at least \$1,500 over three years are encouraged to select a prominent area or location in the building of their choice to recognize in perpetuity their participation or to honor a parent, children, friend, or educator.

Certain locations lend themselves to the inclusion of a contributor's actual name - *The George and Mary Metassis Library*, for instance. Other areas such as the science room, staff lounge, or kitchen, for example, are more appropriate for the prominent placement of an attractive recognition plaque (situated nearby) that acknowledges the contributor's generosity but without "naming" the selected area. For example...

*The renovation and furnishing of this kitchen  
were made possible by the generosity of  
Mr. and Mrs. Gus Sillernos  
August 2017*

The leaders of the campaign will work with contributors to tastefully accommodate their wishes.

### Special Recognition Levels: \$250 and Above

Every contributor of \$250 or more will be acknowledged on a unique **Campaign Honor Roll** that will be displayed prominently in the high-traffic lobby of Building 23.

*Contributors at the following levels of support will be offered  
prominent recognition on the Campaign Honor Roll.*

Gold Supporters	\$1,000 - \$1,500
Silver Supporters	\$500 - \$999
Bronze Supporters	\$250 - \$499

Donors of less than \$250 will be recognized in campaign newsletters and on Odyssey's website.
